HEALTH CENTER

2nd Annual Tommy Beets Memorial Golf Tournament

Bethany Children's Health Center (BCHC) is an innovative leader in pediatric rehabilitation and 24-hour complex care. The private, non-profit hospital, accredited by the Accreditation Commission for Health Care (ACHC), offers inpatient and outpatient services for children and is the only inpatient pediatric rehabilitation facility in Oklahoma. In 2025, this healthcare facility treated and

helped improve the lives of over 5,000 Oklahoma children.

Myrtle Lodge #145 is once again partnering with BCHC to help raise much-needed funds for this tremendous effort. We are holding the Second-Annual Tommy Beets Memorial Golf Tournament and need your support to make it a success. If your organization can provide direct sponsorship, make a donation, or

sponsor a hole or team, you could help us help BCHC make an incredible difference in the quality of life of an Oklahoma child. Won't you please consider contributing today?
